

# Comprehensive Substance Abuse Program

The **Comprehensive Substance Abuse Program (CSAP)** is a program designed to help **Perry County residents** who are in need of employment skills and/or are either high-risk for trying drugs, are drug-involved and/or drug addicted.

The program features an in-home approach to assessment and **counseling**. Participants and their families will be provided with needed **education** and **support services**. The goal is to remove barriers to **employment** and to build individual **assets**.

If you know **someone that needs this kind of help**, please complete and return this referral to **Perry Behavioral Health Choices**. You may mail it, fax it to **740-342-2914**, drop it off at **203 North Main Street, New Lexington, Ohio 43764** or call **740-342-1991** and speak to Ernie and it will be picked up.
